We fill our baskets with a delicious assortment of cookies, gourmet popcorn, chocolate (seasonal), teas, cocoas, cappuccinos & much more!
The products are beautifully arranged in a basket or themed container, then enhanced with printed cello, handmade bows and seasonal artificial flowers (optional)

Family Affair offers unique gifts and customized favors for all occasions. Photo products including cookies, chocolates, hard candy lollipops, custom candy with laminated labels and so much more. We treat you like family and put love and care into each gift we create for you. We'll even email you a photo of your completed basket.

Since all our gifts are customized, same day delivery is usually not available. One gift doesn't fit all, so we ask that you visit our website to view some of the artistry from our designers.
